You can also nominate them for Star of the Month!

## EMPLOYEE SPOTLIGHT

### Felix Catayong Chef de Cuisine

Hi, my name is Felix Catayong originally work here as a Diet-Aide since 2012 until 2019. And came back April 21, 2022, applied as a cook. Now, here I am with new opportunity and journey, and all of this was because God reminded me how grateful I am to have a Wife and Kids that supports me. An amazing coworker besides me who molds and guides me through the day. Every day is a learning process, and I am embracing it as day's goes by, thank you for my coworkers who creates positive attitude at works.

Again, I am grateful to be here because of the environment and the commitment to work that everybody hold accountability on themselves. It's all because of them why I am your Chef De Cuisine now.

Rest assured that I will try my best every day to perform well on my duty, and make sure that the end of the day a resident will be satisfied and happy on the service that they are getting from us.

Again thank you, and it my is a pleasure to work in Glenbrook Health Center.
