## GLENBROOK FRIENDS & FAMILY NEWSLETTER

### all STAR March

**Hawraa Kadhim**

AL Wellness Nurse

Part of what makes GlenBrook a “Great Place To Work” is the incentive to be an AllSTAR employee! It is a privilege to be recognized by co-workers for exemplifying excellence & team work. Congrats, Hawraa!! You serve your team & our Residents so well.

### A Great Place To Work

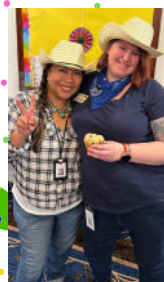

Did you know GlenBrook and La Costa Glen aren't just good employers, but are actually certified as GREAT PLACE TO WORK locations? That's right! Once a year, staff is surveyed to measure the high-performance and high-trust culture that is being promoted on our properties.

Vendors provided treats, staff had dress up days & there was a grand party to celebrate that both GlenBrook and La Costa Glen truly are extraordinary places to work.

## SPIRIT

## WEEK

GlenBrook Employees are always ready to have fun while also serving with the highest quality of care.

Some of our Spirit Days included a day to wear any sports jersey, dress like a cowboy, groovy day and, of course, a GlenBrook swag day!

Each day we had Home Care vendors provide some sort of treat or refreshment. Some of the most memorable included a huge bagel bar with assorted cream cheeses, a custom coffee bar with syrups & whipped cream, and finally, the much-anticipated waffle bar made with fresh batter & fruit!

# Seder Dinner

# Skilled Hallmark Dinner

A special Skilled Dining experience was presented by our exquisite FANS & Life Enrichment Departments. Our Skilled Dining Room and patio was filled with flowers, candelabras, a harpist, and family as they dined on a deliciously curated menu. Every Resident & guest enjoyed this beautiful Hallmark dinner.

Can you find 9 hidden rabbits?
