AUGUST

This month we are celebrating one of our favorite RN Supervisors in Skilled Nursing - Beula Tayag! She has been on staff just over a year at GlenBrook, but every moment has been full of joy, care, attention to detail, team work and the full embodiment of a STAR employee.

National Assisted Living Week plus Environmental Services Appreciation!

At GlenBrook, we take appreciation seriously! September's calendar had a double celebration as we took a week to recognize Assisted Living Staff and Residents as well as the amazing people who serve on our EVS (Environmental Services) Team. We celebrated with some serious fun and food! Each day was a themed dress-up day while a variety of Service Providers offered refreshments such as Greek food, pizza & a nacho bar.

Staff took the opportunity to have some fun & dress for the festivities. Of course our

Residents did as well! Monday was jersey day, Tuesday we wore wigs, Wednesday celebrated cultures, Thursday was groooooovy vibes and then we finished with Greek toga day on Friday. A big thanks to all who participated & the providers who sponsored the treats & fun each day!

Let's Celebrate

100

Did you know that according to the US Census Bureau, only .03% of the US population is over 100 years old?

Last month, GlenBrook celebrated Jean's 100th birthday! We wished her the happiest birthday wishes and a big congratulations on her centennial birthday with cake, balloons & singing. You are definitely looking 100 & fabulous!
